

Moran Announces Kelsey Holste of Norton Joins Staff

SALINA - Congressman Jerry Moran today announced that Kelsey Holste of Norton has joined his office in Salina where she will serve as a District Representative.

"Kelsey has a good deal of background in agriculture and will be able to use that knowledge in this position to help take care of issues important to Kansans," Moran said. "I am pleased that she is joining my staff to work on behalf of Kansas."

Holste is a 2000 graduate of Norton Community High School. In 2005, Holste received her bachelor's degree in International Agribusiness, and in 2008, she earned her master's degree in Agricultural Economics, both from Kansas State University. While in college, Holste was an active member of Alpha Delta Pi and served as a College of Agriculture Ambassador. During graduate school, Holste served as an officer for the Graduate Students of Agricultural Economics Association.

"Working for Congressman Moran is truly an honor," Holste said. "I am excited to assist the Congressman as he represents Kansans and am looking forward to helping him continue the good work that he does for the state."

As a District Representative, Holste will help Moran respond to the concerns of Kansans and will manage various issues relating to ranchers and farmers.

Kelsey is the daughter of Jay and Kathy Holste of Norton.
